## REAL ESTATE AGENCY – DESIRABLE LOCATION

Well Established Brand - Profitable RE Business

Situated in a very popular and attractive North Island location with an active real estate market, this REAA Licensed business operates under the banner of a leading nationwide RE brand. The FY March 2019 result strongly demonstrates ongoing growth and demand in desirable provincial towns as families young and old abandon Auckland (in particular) for a greener, bluer and far more pleasant lifestyle and environment.

Successfully operating over many years, the business has a loyal team of licensed Salespersons supported by their admin staff and the brand HO.

Loyalty and retention of the sales team has been the experience of the vendors as other national brands have come and gone in this popular area.

The vendor estimates their business retains a very respectable and consistent market share – another good reason why the sales team remain loyal to the brand.

The business offers a rare opportunity to get out of the congestion-plagued city and move into a prosperous region delivering exceptional lifestyle benefits, a vibrant community and strong financial returns.

### Consider the following:

- PROFITABLE with PROVEN RETURNS for the Owners over many years
- SOLID MARKET SHARE
- LOYAL and PERFORMING Licensed Sales Team (REAA 2008)
- NATIONWIDE BRAND
