

MANAGED IT & SOFTWARE SERVICES

Projected to grow further

A great opportunity has arisen to acquire this Managed IT Services business.

Showing year on year growth over the last 6 years since being taken over by the current owners, the business is a huge success.

It is projected to grow further as the current initiatives start to reap benefits to be enjoyed by a perceptive buyer. There is no need to be technically qualified but understand the key customer service elements within the sector.

New Zealand owned and operated compared with its competitors who are mostly overseas based with the local support aspect being vital to its customer base.

Huge positives include the Hospitality industry in general is in an unprecedented boom which appears likely to continue for the foreseeable future. Tourism has become New Zealand's number one earner and the growth required in the accommodation industry to meet this is substantial.

Consider the following:

- Profitable operation with 80% recurring revenues
- Exclusive License for NZ and the Pacific Islands
- NZ's #1 Software Services supplier in their industry sector

ASKING PRICE: \$1,500,000
