### PRIVATE TRAINING AND EDUCATION - (CML 11171)

#### ICT and Telecommunications Technologies, International and Domestic Client Base

Operating since 2002, this PTE business has developed & successfully delivered its Technological Training programmes to a wide range of clients both internationally & within New Zealand. At the cutting edge of ICT and Telecommunications systems, their courses provide essential Tech & related systems training to clients' technicians and engineers with support for technical Sales Engineers through to clients' customers.

This profitable business comes with effective barriers to entry and lends itself to being managed from almost anywhere in New Zealand or even the Eastern states of Australia if one wishes to be based in such location(s). The business delivers not only exceptional and bespoke technical education/training courses, but an outstanding lifestyle if you elect to manage it as the vendor currently chooses, which at present is virtually over a 10month 'year' to suit their lifestyle choices.

Notwithstanding the financial and lifestyle benefits for an individual owner, the business is well-suited as an addition to any PTE that wishes to increase its
