ARCHITECTURAL STEEL - SCULPTURE DESIGN & METAL FABRICATION - (CML 11404)

Enduring Metal Artistry for Celebrated Spaces.

This precision metal workshop is known for its iconic architectural sculptures and high quality bespoke and purposeful pieces for use in both commercial and residential arenas. Produced by a team of dedicated fabricators with a variety of specific skillsets and strengths. The business has successfully developed, created, and maintained an extensive library of high-end metal products and designs delivering consistently good profit margins with recession resilience built in to the strategy and multiple revenue streams.

Business Highlights:

- Ample supply chain with excellent relationships
- Consistent sales growth year over year
- Effective website with exceptional Search Engine Optimization (SEO), Google ranking and excellent Google review status
- Excellent Community Goodwill and Vendor Relations
- Extensive design bank, processes, and procedures
- Experienced staff, engineers and artists
- Profit to owners annually \$170K+
- Scalable business – huge potential in the continued development of national and international markets and online trade

Situated in the spectacular Queenstown Lakes District, this opportunity offers a unique lifestyle/work pairing; ideal for an individual with metalwork experience/creative skillset; or a strategic purchaser or larger shop seeking to grow via acquisition and capitalize on new synergies/savings that may be created.
